

## **Wanna be happy (Kirk Franklin)**

I just wanna be happy  
But if I keep on doing the things  
that keep on bringing me pain,  
there's no-one else I can blame.  
If I'm not happy,  
wasted time but now I can see.  
The biggest enemy, it was me,  
so I'm not happy.

Cry yourself to sleep,  
shout and raise your hands,  
it wont change a thing, child,  
until you understand.

If you're tired of being the same,  
if you're tired of things not changing,  
it's time for you to get out the way.  
Don't get stuck in how you feel,  
say, Jesus take the wheel  
He knows the road that you need to take.  
(But it only works if)  
If you wanna be happy,  
(Look at yourself and say)  
don't you wanna be happy?

I just wanna be happy  
but if I keep on giving my heart  
for people to tear apart,  
the healing will never start,  
so I can be happy.

Will I ever be happy?  
Cry yourself to sleep,  
shout and raise your hands,  
it won't change a thing,  
child, until you understand.

If you're tired of being the same,  
if you're tired of things not changing,  
it's time for you to get out the way.  
Don't get stuck in how you feel,  
say, Jesus take the wheel  
He knows the road that you need to take.  
(I feel different right now)  
It's so easy to complain,  
addicted to the pain,

you give our heart, they push it away.

Jesus knows just how you feel,  
just let him take the wheel,  
the love you need,  
He already gave.

(But the question is)  
Do you wanna be happy,  
(If you're tired of you, then say)  
I just wanna be happy.  
(Now if you really mean that, open your heart and say it)  
/: Let me hear you say,  
Yeah, yeah, yeah :/

If your tired.....
