

### **LOVE THEORY (Kirk Franklin)**

How can it be. That you love the most unlovable part of me, of me?  
How could you see, Your life was the only gift I'll ever need, to be free?  
It's amazin' with You, I win even if I lose.  
Ev'rythin's workin' for my good for always.

He saves the day, He will come through.  
He won't doubt. That's not what super heroes do  
No greater love, makes my heart beat  
All I wanna do is make You proud of me.

I don't wanna love nobody but you, I don't wanna love nobody but you  
I don't wanna love nobody, love nobody but you

How can it be, ev'ryone of my secrets that You keep, You cover me?  
A mystery, Your patience with me, God, will never leave. Don't ever leave.  
Help me to see like You. No matter what I go through,  
ev'rything's workin' for my good foalways.

He saves the day. He will come through.  
He won't doubt that's not what super heroes do.  
No greater love , makes my heart beat.  
All I wanna do is make You proud of me.

I don't wanna love nobody but you, I don't wanna love nobody but you.  
I don't wanna love nobody, love nobody but You.  
I don't wanna love nobody but you, I don't wanna love nobody but you.  
I don't wanna love nobody, love nobody but You.

Loving you will be, will be the death of me  
That's how it's supposed to be. more of you, less of me

I don't wanna love nobody but you, I don't wanna love nobody but you.  
I don't wanna love nobody, love nobody but you  
I don't wanna love nobody but you  
I don't wanna love nobody but you, I don't wanna love nobody, love nobody but you

He saves the day, He will come through.  
He wont doubt, that's not what super heroes do.  
No greater love, makes my heart beat  
All I wanna do is make you proud of me.

He saved the day, He will come through  
He walked out, that's not what super heroes do.

No greater love, makes my heart beat  
All I wanna do is make you proud of me.

I don't wanna love nobody but you, I don't wanna love nobody but you ,  
I don't wanna love nobody, love nobody but you (You're the saviour)  
I don't wanna love nobody but you, I don't wanna love nobody but you (Yes)  
I don't wanna love nobody, love nobody but you
